[on the report of the Special Political and Decolonization Committee

69/88. Operations of the United Nations Relief and Works Agency for Palestine Refugees in the Near East

The General Assembly,

Recalling its resolutions 194 (III) of 11 December 1948, 212 (III) of 19 November 1948, 302 (IV) of 8 December 1949 and all subsequent related resolutions, including its resolution 68/78 of 11 December 2013,

Recalling also the relevant resolutions of the Security Council,

Having considered the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East covering the period from 1 January to 31 December 2013,¹

Taking note of the letter dated 17 June 2014 from the Chair of the Advisory Commission of the Agency to the Commissioner-General,²

Deeply concerned about the extremely critical financial situation of the Agency, caused in part by the structural underfunding of the Agency, as well as its rising expenditures resulting from the deterioration of the socioeconomic and humanitarian conditions and the conflicts and rising instability in the region and their significant negative impact on the provision of necessary Agency services to the Palestine refugees, including its emergency, recovery, reconstruction and development programmes in all fields of operation,

Recalling Articles 100, 104 and 105 of the Charter of the United Nations and the Convention on the Privileges and Immunities of the United Nations,³

Recalling also the Convention on the Safety of United Nations and Associated Personnel,⁴

Affirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,⁵ to the Palestinian territory occupied since 1967, including East Jerusalem,

³ Resolution 22 A (I).

⁴ United Nations, *Treaty Series*, vol. 2051, No. 35457.

⁵ *Ibid.*, vol. 75, No. 973.

Aware of the continuing needs of the Palestine refugees in all fields of operation, namely, Jordan, Lebanon, the Syrian Arab Republic and the Occupied Palestinian Territory,

Gravely concerned about the extremely difficult socioeconomic conditions being faced by the Palestine refugees in the Occupied Palestinian Territory, including East Jerusalem, particularly in the refugee camps in the Gaza Strip, as a result of the recurrent military operations, continuing prolonged Israeli closures, the construction of settlements and the wall, and the severe economic and movement restrictions that in effect amount to a blockade, which have deepened unemployment and poverty rates among the refugees, with potentially lasting, long-term negative effects, while taking note of developments with regard to the situation of access there, particularly the recent tripartite agreement facilitated by the United Nations,

Deploring the conflict in and around the Gaza Strip in July and August 2014, and the civilian casualties caused, including the killing and injury of thousands of Palestinian civilians, including children, women and the elderly, as well as the widespread destruction of or damage to thousands of homes and civilian infrastructure, including schools, hospitals, water, sanitation and electricity networks, economic, industrial and agricultural properties, public institutions, religious sites, and United Nations schools and facilities, as well as the internal displacement of hundreds of thousands of civilians, and any violations of international law, including humanitarian and human rights law, in this regard,

Deploring also attacks affecting United Nations installations, including Agency schools sheltering displaced civilians, and all other breaches of the inviolability of United Nations premises during the conflict in the Gaza Strip in July and August 2014,

Gravely concerned about the lasting negative repercussions of the military operations in the Gaza Strip between December 2008 and January 2009, as well as in November 2012, on the humanitarian and socioeconomic situation of the Palestine refugees in the Gaza Strip,

Commending the extraordinary efforts by the Agency to provide shelter to more than 290,000 Palestinian civilians, the majority of them Palestine refugees, as well as emergency relief, medical, food, protection and other humanitarian assistance during the military operations of July and August 2014,

Recalling, in this regard, its resolution ES-10/18 of 16 January 2009 and Security Council resolution 1860 (2009) of 8 January 2009,

Expressing regret over the continuing restrictions that impede the Agency's efforts to repair and rebuild thousands of damaged or destroyed refugee shelters, and calling upon Israel to ensure the unimpeded import of essential construction materials into the Gaza Strip and to reduce the burdensome cost of importation of Agency supplies, while taking note of recent developments regarding the situation of access there, including the recent tripartite agreement facilitated by the United Nations in this regard,

Expressing concern about the severe classroom shortage in the Gaza Strip, which has been compounded by the destruction caused to schools in the Israeli military operations of July and August 2014, as well as the continuing use of Agency schools to shelter displaced persons, and the consequent negative impact on the right to education of refugee children,

Stressing the urgent need for the advancement of reconstruction in the Gaza Strip, including by ensuring the timely facilitation of construction projects and by sustaining the swift entry of construction materials needed for projects managed by the Agency, and the need for the accelerated implementation of other urgent United Nations-led civilian reconstruction activities,

Welcoming contributions made to the Agency's emergency appeals for the Gaza Strip following the military operations in July and August 2014, and calling urgently on the international community for continued support in accordance with the Agency's strategic response plan,

Welcoming also the convening of the Cairo International Conference on Palestine: Reconstructing Gaza, on 12 October 2014, and urging the timely and full disbursement of pledges for expediting the provision of humanitarian assistance and the reconstruction process,

Stressing that the situation in the Gaza Strip is unsustainable and that a durable ceasefire agreement must lead to a fundamental improvement in the living conditions of the Palestinian people in the Gaza Strip, including through the sustained and regular opening of crossing points, and ensure the safety and well-being of civilians on both sides,

Affirming the need to support the Palestinian national consensus government in its assumption of full government responsibilities in both the West Bank and the Gaza Strip, in all fields, as well as through its presence at Gaza's crossing points,

Noting with appreciation the progress made towards rebuilding the Nahr el-Bared refugee camp, commending the Government of Lebanon, donors, the Agency and other concerned parties for the continuing efforts to assist affected and displaced refugees, and emphasizing the need for additional funding to complete the reconstruction of the camp and end the displacement of its 27,000 residents without delay,

Expressing deep concern at the critical situation of Palestine refugees in the Syrian Arab Republic and at the impact of the crisis on the Agency's ability to deliver its services, and regretting profoundly the loss of life among refugees and the killing of 14 staff members of the Agency during the crisis since 2012,

Emphasizing the need for increased assistance to Palestine refugees in the Syrian Arab Republic as well as those who have fled to neighbouring countries, and emphasizing the necessity of ensuring open borders for Palestine refugees fleeing the crisis in the Syrian Arab Republic, consistent with the principles of non-discrimination and non-refoulement under international law, and recalling in this regard the statement by the President of the Security Council of 2 October 2013,⁶

Aware of the valuable work done by the Agency in providing protection to the Palestinian people, in particular Palestine refugees, and recalling the need for the protection of all civilians in situations of armed conflict,

Deploring the endangerment of the safety of the Agency's staff and the damage and destruction caused to the facilities and properties of the Agency during the period covered by the report of the Commissioner-General, and stressing the need to maintain the neutrality of and safeguard the inviolability of United Nations premises, installations and equipment at all times,

Deploring also the breaches of the inviolability of United Nations premises, the failure to accord the property and assets of the Organization immunity from any form of interference and the failure to protect United Nations personnel, premises and property,

Deploring the killing and injury of Agency staff members by the Israeli occupying forces in the Occupied Palestinian Territory since September 2000, including the 11 Agency personnel killed during the military operations in the Gaza Strip in July and August 2014,

⁶ S/PRST/2013/15.

Deploring also the killing and wounding of refugee children and women sheltering in the Agency schools by the Israeli occupying forces during the military operations of July and August 2014,

Deeply concerned about the continuing imposition of restrictions on the freedom of movement and access of the Agency's staff, vehicles and goods, and the injury, harassment and intimidation of the Agency's staff, which undermine and obstruct the work of the Agency, including its ability to provide essential basic and emergency services,

Aware of the agreement between the Agency and the Government of Israel,

Taking note of the agreement reached on 24 June 1994, embodied in an exchange of letters between the Agency and the Palestine Liberation Organization,⁷
